Amendment #4 to the Budget Ordinance, Section #1

We have an amendment, to the General Fund, carried over from the June 6th meeting. Board needs to revisit the $4,500 as there was question as to what this amount was for. The $4,500 is to amend the General Finance. It's moving contingency, which was in the General Fund budget, over to Governing Body. It was in Finance Department and is moving it over to Governing Body to balance professional services and Applied Solutions bills.
